Subject: **ISSUANCE OF NOC TO FOREIGN EXPATRIATES**

The undersigned is directed to refer to the subject noted above and to say that frequent requests are being received in this department each day for issuance of security clearance and grant of NOCs to foreign expatriates and dignitaries who intend to visit different areas of this province for various purposes such as mining, health, social service, education and flood relief etc. Mostly such requests are received just few days prior to the scheduled visit, causing inconvenience for this department to obtain their security clearance from concerned field / district authorities.

2. With a view to secure the visit and traveling of such foreigners, it has been decided that no request for security clearance / NOC as well as security escort will be considered if the same is not received in this department at least ten days earlier than the scheduled visit mentioning therein explicitly the purpose of visit, duration and nature of emergency.

3. You are therefore requested that in order to ensure safety of visiting dignitaries relating to your respective organizations, this department may be intimated well in time so that proper security arrangements are made for the visitors and any eventuality is avoided.

  
 (M. Ayub Khan Jaffar)  
 Additional Secretary-II  
 Home Department
